

# EASYPULSE

## Portable Oxygen Concentrators

### Do you like to live actively?

We all do! With EasyPulse POCs, your lifestyle does not need to be dictated by the fact that you have been prescribed medical oxygen. EasyPulse POC-3 and POC-5 have been designed and built around providing the highest therapeutic oxygen for the longest period of time so you can live the life you want.

Optional Backpack

508644rev2 4/19 (??m) Printed in USA

3-5 pulse settings

Highest oxygen purity possible

Most durable and reliable POCs

Compact and lightweight

## What is the battery duration?

EasyPulse POC-3 and POC-5 are powered by an internal lithium-ion battery. Purchasing the optional external battery doubles your duration making EasyPulse POC a truly mobile oxygen therapy solution.

**Battery duration** (at any breath rate)

### PM4130

**Setting 1:** 5.5 hrs  
**Setting 2:** 3.8 hrs  
**Setting 3:** 2.8 hrs

### PM4150

**Setting 1:** 4.7 hrs  
**Setting 2:** 3.4 hrs  
**Setting 3:** 2.7 hrs  
**Setting 4:** 2.0 hrs  
**Setting 5:** 1.6 hrs

**2 batteries:** up to 11 hours    **2 batteries:** up to 9.4 hours

## How do I charge the battery?

EasyPulse POC can be charged by plugging into any electrical wall outlet or the DC outlet in your car, RV or boat.

## Can I fly with my EasyPulse POC?

Yes, of course! Both the EasyPulse POC-3 and EasyPulse POC-5 are FAA approved for in-flight use and will fit under your seat.

## How many pulse settings does it have?

EasyPulse POC-3 has 3 pulse settings to provide you the prescribed amount of therapeutic oxygen concentration regardless of breath rate. EasyPulse POC-5 has 5 pulse settings giving you the highest level of independent and portability so you can live actively.

## How much do EasyPulse POCs weigh?

With the internal battery EasyPulse POC-3 weighs less than 5 lbs. and EasyPulse POC-5 weighs 6.6 lbs.

## What comes in the box?

**EasyPulse POC concentrator**

**Internal lithium-ion battery**

**Optional external battery**

**Wall charger**

**Car charger**

**Comfortable carry bag with fully adjustable padded shoulder strap or optional backpack**

**5-year warranty on device and sieve beds**
